President's Corner

Happy April Colorado Prima Members!

Have we made it past the snow season?? We will assume for the moment that we have and will look forward to a great spring in Colorado! Hopefully the fires have all calmed down and some of our members that have to deal with this type of risk can breathe a little easier. With any luck we can have a small break from the risks provided by Mother Nature before we get the summer's challenges.

I hope that some of the membership has the opportunity to attend the National Conference. They have put together an aggressive agenda with pretty much something for all experience levels. Ray Sibley, Steve Bedard and I had the opportunity to talk about this and we all agreed that probably the most salient item to bring back from the national conference is simply the opportunity to network and to see how other risk managers from across the country do things. There is always something to be learned from others in the business.

Speaking of conferences, Colorado's conference also provides the perfect opportunity for outstanding educational experiences and also the chance to network with our own members. We know that it is difficult for our western slope members to attend meetings and a lot of the time the conference is the only time we have to see how people in our own group does risk management. Our conference committee has been working hard to make sure we have an outstanding 20th anniversary conference. Rest assured that you can be guaranteed not to be disappointed in this year's sessions and activities. Being a proactive president I felt it would be prudent, considering all of the talk about Strawberry Park Hot Springs after hours, to have important phone numbers handy....Steamboat Springs PD, the municipal court, and a bail bondsman! Hey, we have had the police called on more than one occasion to a PRIMA activity!

This month we have Bonnie Shek and Scot Kurban from Milliman Insurance presenting: "The Why and How of an Actuarial Evaluation of Current Liabilities and Future Payments". That is a long title for; we need to make sure we can pay when something goes wrong, and in this day of budget issues something that we all need to pay attention to. It should be an excellent learning session.

Have a safe month and we'll see everyone on the 21st!

Doug Clark
2011 Colorado PRIMA President

National PRIMA Updates

Chapter Service Award selections are due April 15, 2011. These awards are given out to any chapter member who represents leadership, dedication, and service to the chapter. Each chapter is eligible to submit one person who they feel is deserving of this award. The selected individuals will be recognized during the Awards Luncheon at the Annual Conference in Portland on Monday, June 8th. Please let me know if you have any questions during your selection process.

This year's **Chapter (Leadership) Workshop** will take place on Tuesday, June 7th from 11:15 a.m. - 12:30 p.m. in room A107 at the Oregon Convention Center. PRIMA's Chapter Relations Committee would like to invite all chapter leaders and conference attendees to this workshop to discuss the value of chapter membership. Chapter representatives will have the opportunity to introduce themselves and shine light on the networking and education opportunities that their chapter provides to conference attendees. Representatives are also encouraged to bring any literature or supporting materials for workshop attendees to take with them. Chapter leaders are encouraged to pass along the formal invitation attached to this email to their chapter members so that everyone has the opportunity to come and boast about their chapter and the great opportunities they provide (for less than 10 cents a day!). Chapter leaders will then have the chance to participate in an open forum discussion after the workshop concludes.
