jameskimen@aps.k12.co.us
303-365-7816

If you have any questions, comments or suggestions for this publication,
please contact any of the PRIMA Officers.

President's Corner

Happy 4th of July to all! May you and your families enjoy a wonderful holiday celebration!

Thank you to everyone who attended our May Meeting! Thank you very much to Tracey McDonough and Jay McDonald with BELFOR Property Restoration who presented Help! That Saves the Day & Saves the Budget. The part that I found most interesting, and the most creative, was pictures of buildings that were shrink wrapped to prevent further damage. Fascinating!

Can you believe that we are nearly one month away from our 19th Annual Colorado PRIMA Conference? Have you registered for the conference and made your lodging reservation? We have incredible speakers lined up for this conference and incredible networking opportunities. You can find our conference information on our website at <http://www.coprimateconference.org/>.

Please join us on July 15, 2010 for our July Meeting at the Greenwood Village as Fay Engineering presents CSA 2010, a presentation about the new Comprehensive Safety Analysis (CSA), which according to the Department of Transportation will change how it monitors carriers and drivers. Networking starts at 11am and the meeting will start at 12pm.

I look forward to seeing you there!

Audrey Shon
2010 Colorado PRIMA President
