If you have any questions, comments or suggestions for this publication,
please contact any of the PRIMA Officers.

President's Corner

President's Corner

Hello Colorado PRIMA members,

First I would like to apologize again for cancelling last month's meeting. However, knowing how pressed for time we all are I could not in good conscience have a meeting just to say that we had a meeting. We strive to make sure that our membership can look forward to quality educational sessions and on such short notice we could not reasonably guarantee that. The Board did use that time productively and have a draft of next year's meetings, meeting places, and speakers. It looks like a great schedule with new educational sessions. As always, if anyone has an idea for a meeting or even for our conference make sure you get your idea to a board member. We are always looking for new ideas and ways to enhance our educational opportunities.

Please mark your calendars for our annual Christmas luncheon that will be held on December 8, 2011, 11:00am, at the Colorado National Golf Club in Erie. We have a fabulous lunch planned and as always gifts and goodies to give away. We will have more on this next month, but this is a good time to get it on your Outlook.

This month's educational session will be presented by RescueTech. The topic will be "Technical Loss Mitigation". At one time or another we have dealt with either natural or man made situations that have put our assets at risk and this will be an opportunity to hear what we can do to protect these assets.

Have a good month and we will see how long we can keep the snow plows off the streets.

Doug Clark
2011 President
