President's Corner

Fellow CO PRIMA Members,

Thank you to everyone who attended our July meeting and to William Humes and Norris Hoover with Faye Engineering for presenting on the Comprehensive Safety Analysis (CSA) 2010 and to Greenwood Village who hosted the meeting.

I hope that you were able to attend our Annual Conference and found it as amazing as I did. This conference just keeps getting better every year! My hat is off to Steve Bedard, Terry Lee and to the 2010 Conference Committee for assembling an incredible conference. A special thank you goes out to our Affiliate Members for really stepping up to the plate in sponsorships this year. We couldn't do it without the amazing partnerships that we have. Thank you. You made 2010's conference a record breaker for CO PRIMA, both in attendees and also sponsorships.

If you are interested in being part of our 2011 Conference Committee, please join the Board and the 2010 Conference Committee from 9:30-11:00 am, before our September Membership Meeting. Please bring your session ideas for next year. If you can't be at the meeting or if you would have meeting ideas but are unavailable to serve on the committee, please email your meeting suggestions to me at audrey@cdsip.net.

Please join us on September 16, 2010 at CIRSA as Greg Cairns presents "Medical Marijuana: Don't Let Your Workforce Go Up in Smoke". Networking starts at 11:00 a.m. and the meeting starts at 12:00 Noon.

I look forward to seeing you there!

Audrey Shon
2010 Colorado PRIMA President
