President's Corner

Dear Members,

Please take an opportunity to review our updated website at <http://coloradoprma.org/>. We want this website to be the first place you go to get valuable information about Colorado public risk management. Please let the officers know what you think about the website and if there is anything that you would like to see on this website.

Be sure to put August 3-5th, 2008 on your calendars for the Colorado PRIMA Conference that will be held at the Keystone Resort. We have an exciting conference planned and would like you to join us.

In June, the Risk and Insurance Management Society, Inc. (RIMS) is offering a two day insurance course and a two day risk management course in Denver that may be of interest to your organization. Fundamentals of Insurance (<http://rims.org/Template.cfm?section=Education&Template=/CourseDirectory/CDcoursesDescription.cfm&Course=482>) is planned for June 24-25th, 2008 and Techniques of Risk Management in Denver (<http://rims.org/Template.cfm?section=Education&Template=/CourseDirectory/CDcoursesDescription.cfm&Course=483>) is planned for June 26-27th, 2008. Host A PRIMA Meeting!

We are looking for meeting locations for the May, July, October and November Meetings. If you would like to have the meeting at your location, please contact Audrey Shon at 720-570-4551 or by e-mail at audrey@cdsip.net.

Interested In A Public Risk Management Certificate Program?

Are you interested in a five day Public Risk Management Certificate Program? Mountain States Employers Council (MSEC) is currently offering a Workplace Risk Management Certificate Program that is a five day course that includes three days of instruction on Occupational Safety & Health Act (OSHA).

Raymond Sibley, with the Risk Management Department of the City and County of Denver, has spoken with MSEC regarding the possibility of them revising their current program to focus on topics important to public risk managers in lieu of OSHA instruction. If this program would be of interest to you, please contact Raymond Sibley at Raymond.Sibley@denvergov.org or at 720-913-3349.
