# President's Corner

Dear Colleagues,

The worldwide financial markets are in turmoil. Credit for the day-to-day business transactions is very tight. Does this have any impact on the renewal process for January 1, 2009? We are going to shift the schedule for the October 16 meeting. We will be having a panel of leading local Brokers to discuss and provide guidance for the January renewals.

If you have any suggestions for monthly meetings or topics for the annual conference please let us know.

Let's all plan to be at the Christmas meeting this year.

\*\*\*\*\*

Thanks,

Stephen Finley  
Risk Manager  
720-423-3515 (w)

# PRIMA Vests

This past summer, the Colorado PRIMA Board of Directors voted to give each COPRIMA member a fleece vest with the COPRIMA logo embroidered on the vest. If you are a paid Member or Associate Member of Colorado PRIMA you are eligible to receive a vest at the December 11, 2008 PRIMA Meeting & Holiday Party. The vests and order forms were available at this years' conference and many orders were placed. We know that not everyone attended the conference so order blanks and samples of the vests will be available at the next meeting on October 16<sup>th</sup>. If you have not submitted your order and cannot attend the October meeting, please contact Pat Skahill at [pskahill@co.arapahoe.co.us](mailto:pskahill@co.arapahoe.co.us) or by phone at 303-795-4573. Vest orders cannot be accepted after November 7<sup>th</sup>.
