President's Corner

Dear Colorado PRIMA Colleagues,

Time is flying by so fast I think I missed my flight! Halloween is in the past tense already and Thanksgiving is just around the corner. Some of my neighbors have been stringing up Christmas lights already. This is a busy time of year for me since insurance renewal is on January 1st. I'm busy collecting all the data that the insurance company will need to determine my rates for next year. Such a fun process.

In case you missed it, Roger Rettig of the Colorado Physical Therapy Institute presented "Be Stress Savvy" at our last meeting. He did an outstanding job of identifying a lot of our everyday stressors and taught us how to cope with them. There was plenty of humor passed around which made this a fun session for all of us. This month's meeting will be at Colorado School Districts' Self Insurance Pool in Centennial. James Graham with Applied Risk Solutions will be presenting "The True Cost of Losses". This is a lunch time meeting so be sure to put this meeting on your calendar. This will be our last educational meeting for the year and I look forward to seeing all of you.

In December we will be having our holiday lunch which has always been a festive event. Be sure to sign up for this event too.

The Board is working on putting together next year's calendar. If you would like to offer a location for any of our monthly meetings or have a presentation that would benefit our members, please let us know. Also, if you would like to sponsor any of our meals for the meetings, we would appreciate that too. If you have any new ideas that would benefit Colorado PRIMA in any way, we would like to hear from you. Please contact any of the Board Officers.

I hope to see you at our next meeting on November 19th.

Thanks,

Steve Bedard
President, 2009
